

**4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.**

Each department has its own staff room. Each department has been allotted fixed rooms for their PG classes and practical departments have their own labs. Classrooms to teach UG subjects are used by every department as per their time table. Every department has its own computer. Classrooms are ICT enabled. Seminar hall and NRSC hall are used by the entire college. if required, periods are allotted to the department for using computer lab to teach their ICT paper. Students can use the facility of library and computer lab whenever they require. College has a vast open ground which students use for their sports activities. College has all the facilities for indoor and outdoor games. There are separate rooms for NSS and Rover Rangers. The College has a separate examination room for conducting exams, a committee room for holding meetings and a common staff room.
