

### 7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust

Our college is working to provide education to equip our students for playing a meaningful role at home, workplace and in society on their employability. To fulfill this vision, the college has been doing the following efforts

- We provide subject knowledge as well as essential life Skills of Modern day living to the Students. To provide this knowledge we conduct participative interactive class room teaching. There are regular workshops, guest lectures and various academic non-academic competitions throughout the session. Experiential activities and field visits are also conducted by the college. Group discussions, movie screening, remedial classes are also conducted. Lots of efforts are being taken to inculcate ICT in teaching learning. For making this possible, every department in the college is ICT equipped. Campus is Wi-Fi enabled and there is a well-equipped computer lab.
